

# Jane's Story

Dear Shae & Jen,

I am writing to say a huge Thank You for everything you did with Ryan during his time at Brainastics last year. The confidence and skills he has learnt have given him such a great head start at school. In fact on day two of Prep his teacher told me that he had informed her he could already read "lots of words"!

Last term he received a certificate at school assembly for "using excellent sounding out strategies", and his mid year report for Prep has him rated as reading at a Grade 1 level. I know I sound like a proud parent, but that's because I am!

I can't thank you or praise Brainastics enough!! I have been singing your praises all over town!

Keep up the great work,

Jane Donaldson
